Hailed as Emaar's flagship mega-development, Downtown Dubai occupies two of the most prestigious square kilometres in Dubai. This dynamic city hub has catalysed the economy and cemented Dubai's reputation as a truly global city.

The Old Town is a mixture of low-rise three-storey apartment buildings and mid-rise towers with penthouses, and offers a counterpoint to the sharply modern style of most of Burj Dubai, the heart of emerging Downtown district.

Each of the Old Town communities offer the ultimate in convenience and service retail facilities, with unique architectural interior design features. One has the ambience of an open traditional souq, with tight twisted lanes and shaded walkways, leading to a main double central court. The other has open public spaces, malls, courts, domes and arches, and a wide selection of restaurants and nightlife.
