Golden Mile 2 is one of the 10 identical and interconnected 11 storey buildings on separate plots that include retail and office space on the artificial archipelago in Dubai, Palm Jumeirah.

It is a visionary creation combining homes, shopping and leisure facilities on one of the worlds most famous islands. The residences comprise 10 park view buildings, featuring spectacular homes ranging from 1 bedroom apartments to duplex penthouses. This spectacular collection of approximately 860 apartments offer not only an idyllic location but also western-designed features which are just seldom to be seen in Dubai, such as Jacuzzi tubs, rain showers, and walk-in closets.

As residents, you can enjoy spacious luxury apartments with superior finishes including soaking tub, rain showers; as well as with amazing panoramic views.

The Retail area within those buildings will boast a major grocery chain, pharmacies, banks and fashionable shops, cafes and restaurants. With ample indoor parking, this property is also an excellent choice for you to live in and invest for.
