Amaranta Villanova in Dubailand is the first-of-its-kind confidential gated neighborhood with its stylish and spacious calculated standalone townhouses, all of which will include full facilities such as maid's room, storage, laundry, and shaded carports. The community also includes apartments that will be launched in the future.

Residents benefit from nearby facilities together with walking and biking trails, BBQ zones with picnic lawns, parks with children's play areas and retail outlets with outdoor seating.

With the lush green surroundings, Amaranta promises to provide a calm and passive life, which is a necessity for every family living in a busy city like Dubai.

Villanova is conveniently located near the intersection of Al Ain Road, between Emirates Road and Academic City Road.

The gated community offers amenities like community centre, pool, playgrounds and more. It is also a neighbourhood for children to grow up in a healthy and comfortable environment.
